Brothers:

Sigma Phi Epsilon (SigEp) wants all chapters to be strong and vibrant, carrying out our mission of “Building Balanced Men.” Sigma Phi Epsilon wants to make our hundreds of thousands of members, parents, alumni and volunteers proud to be affiliated with the organization.

Congratulations on your accomplishment of being one of SigEp’s 25 largest chapters, Oklahoma Beta is ranked first. Your position as the organization’s largest chapter shows the benefit of the SigEp experience at the University of Oklahoma.

Recruitment is important to providing the best possible fraternal experience. Recruitment is the lifeblood of our organization – by implementing and upholding strong recruitment standards and practices, the organization will thrive. Also, implementing a continuous development program, one that is relevant to all chapter members, improves the SigEp experience at your chapter. It is apparent that the Oklahoma Beta chapter is offering a strong experience to its members.

On behalf of the Grand Chapter, we applaud you for your efforts and your achievements. We challenge you to continue to recruit men committed to excellence and provide them with a fraternal experience conducive to success.

We look forward to seeing you in Phoenix for the Grand Chapter Conclave in the summer of 2011.

Fraternally,

Michael D. Repasky  
Director of Chapter Services
