MARK YOUR CALENDARS!

Calling ALL Alumni — Get the word out!

Announcing the First Annual SigEp, Oklahoma Beta Chapter, All-Classes Reunion — February 26 and 27, 2010.

We've talked about it for years...Now it is OFFICIAL. We are throwing the biggest SigEp Oklahoma Beta celebration since the old Sam's Place for the purpose of bringing back together every initiate from every class of the Oklahoma Beta Chapter. It's the inaugural First Annual All-Classes Reunion — and yes, this is an event that you definitely want to bring the wives and significant others to.

Although this event does include actives (as they are working on the event too), the event is all about alumni. It is NOT a fund-raiser and is strictly for allowing all of us to relive many of the great memories that we all shared in our days at the SigEp House.

Example questions from "back in the day":

Remember 524 West Brooks? Remember building the Sam's Place facade onto the old SPE Lodge? Remember Mom Stewart? Remember Mom Albaugh? Remember Formal Dinners? Remember when everyone who signed your paddle popped you with it first (and then hugged you)? Remember Sig Ep South? Remember Serenades? Remember when pledgship was nearly eight months long? Remember Walk-Outs to Up Your Alley? Remember Foosball in the Southwest corner of the living room? Remember Christopher Cross's band playing a gig in the SPE Lodge (actually 2 gigs)? If you can answer yes to any of these questions, or if you have others that are uniquely your class' memories, you need to come to this event.

Here is a snapshot of activities:

Friday Night (2/26): Dinner and hang-out night (with multiple activities) at the Sig Ep house in Norman.

Saturday Day (2/27): During the early afternoon, we will have group seating at the OU vs. Baylor Basketball Game at the Lloyd Noble Arena with refreshments at the SPE house before the game. Tickets are \$10, and include a hot dog lunch and soda.

Saturday Night (2/27): The Mother of All Parties — the Inaugural Sig Ep All-Classes Reunion Ball at the OKC Petroleum Club where we will enjoy a first-class sit-down dinner including wine served at our tables, then other "age-appropriate" beverages available for after-dinner, incredible fellowship, class party pics, a program

honoring alumni and then we hit the dance floor to the music of Oklahoma's top rock band The Wise Guys for partying and dancing until the wee hours. Attire is not formal.

We have arranged for special rates at two of the top downtown Oklahoma City Hotels, The Skirvin and the Marriott Renaissance. See separate sheet for hotel information.

Now Gentlemen! A Call to Arms! Men of Sigma Phi Epsilon, Rise! This is your moment. A moment to commemorate your history and create a legacy for your future. Join your brothers in making this a weekend to remember as the first-ever event.

By the way, if you cannot make both nights and have to choose one night or the other — DEFINITELY choose Saturday night's party at the Petroleum Club.

Elsewhere in this newsletter you will find an RSVP / Reservations sheet on the All-Classes Reunion. Send it in to the fax number shown. It is very important that The Petroleum Club knows how many people will be in attendance before February 1 and we are asking everyone to please help us by paying for the dinner and activities in advance. So, please include your payment information and note that your credit card will not be charged until two weeks before the event. But again, we do need to get reservations in as soon as possible. No reservations can be accepted after February 15.

Cost for the Saturday night All-Classes Reunion Ball is \$60 per person if reservations are made now and \$75 per person if reservations are made after February 1 (all activities on Friday at the house are free).

Additional information is posted on www.ousigeps.com or call Brad McPherson at 405-615-5999.

FROM THE SIGEP JOURNAL

The recent Journal showed Oklahoma Beta as the #1 ranking Sigma Phi Epsilon Chapter in manpower nationwide with 195 members. Our chapter was also first in recruitment, with 60 new members. Brooke Harry (#523) accepted our first Buchanan Cup award in many years at last summer’s conclave. This award was established in 1961 as the Chapter Leadership Cup to recognize outstanding chapters. Many hurdles had to be achieved for this to have occurred, along with much hard work from actives and alumni.

Matthew Lee, current microbiology pre-dental student, was one of the few 2008 National Competition Scholars. Each year, the Sigma Phi Epsilon Educational Foundation presents \$1,000 scholarships to outstanding SigEp undergraduates who have a strong academic record, participating campus community life and are active in chapter leadership positions.
